International Mobility for GD Goenka

Benefits of Student Mobility

Stacked Degree for a Holistic Education

- The majority of the world is going toward Stacked Degrees where the courses, certificates, conference attendance, competitions, project research, student mobility all come together toward the degree.

Semester Abroad

- Studying a semester abroad can have tremendous effect on your CV and applications as it would show extra skillset and adaptability and foreign experience to the employers

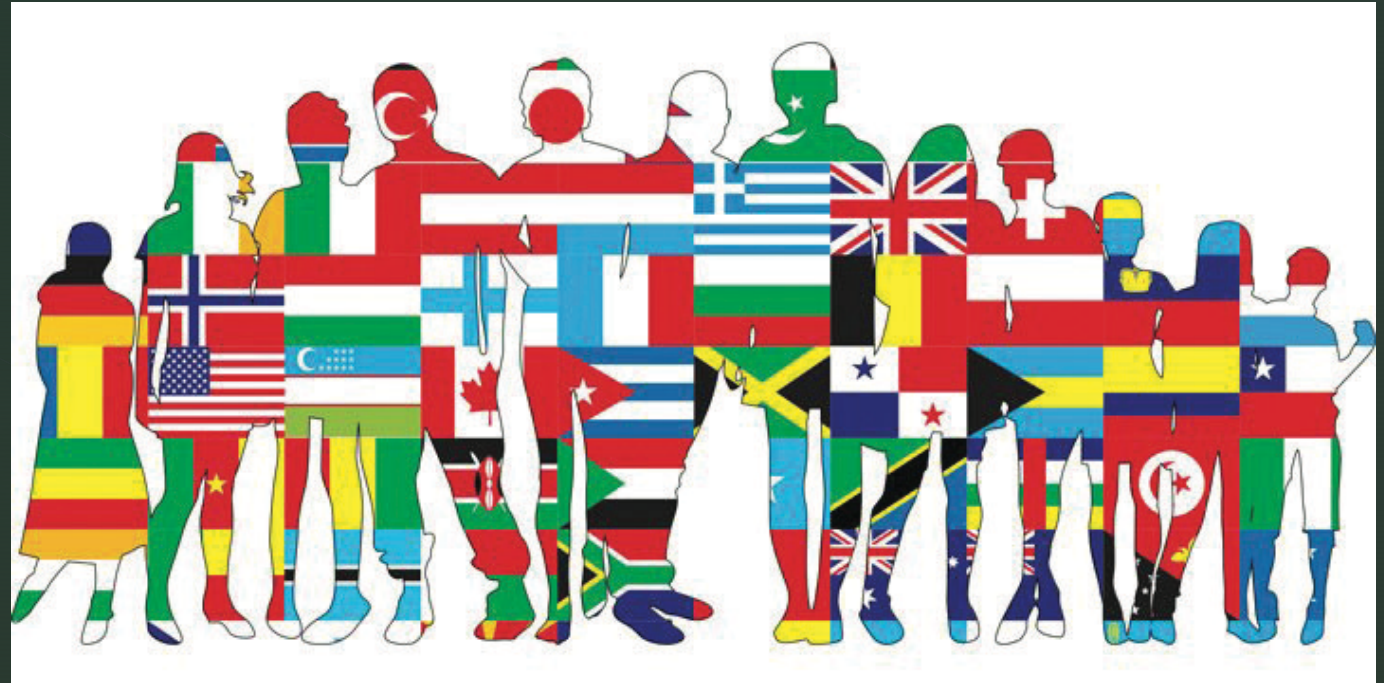

Internship Abroad

- Doing 1 – 3 months of internship abroad would add a lot of value to your future career as companies would be more interested to choose students with international exposure. There will be internship opportunities abroad including research labs, case studies for companies, hospitality sector, health sector and many others for select group of qualified students.

Multiple Pathways for a Career

- Multiple Degrees, Work and Earn, Multicountry Pathway Program, and more to become a true Global Citizen with multiple study option pathways

Application Periods

- Every Last week of September and First Week of October
- Every First 2 weeks of February
