# Adventure in Cu Chi Tunnel

Cu Chi Tunnels of Sai Gon are honored in the TOP 7 most adventurous destinations in Southeast Asia and TOP 12 most attractive underground wonders in the globe. The decades-old tunnel complex resembles a sophisticated hidden maze, where visitors can glimpse the turbulent Vietnamese history as if they are traveling back to the wartime.

Attend the most exciting history lesson ever on a Cũ Chi Tunnels Tour! Learn about Vietnam's guerilla war by climbing into the underground tunnels that used to be rigged with booby traps, which played a crucial part in the fight. Built by local fighters during the Indochina conflict, the Cu Chi tunnels served as a base for the Viet Cong, the National Liberation Front. It included almost everything needed for the life of the Viet Cong, where the local soldiers and residents used to eat, sleep, work, cook and even go to school. Started in 1948 as a hiding place from French air attacks, by 1965, the tunnel was estimated to consist of an astounding 200km of tunnels within a larger tunnel system. Have an unforgettable experience as you explore the underground tunnels and get to know what life was like for the Viet Cong soldiers!
